

Gandhinagar Institute of Technology

Circular

Institute is building a GIT-Entrepreneurship Club (S4 Extension Club) to encourage innovative ideas, projects and promote student entrepreneurs from our college. Team members will be responsible to spot innovative ideas, prototype or a working model, motivate and guide students towards entrepreneurship. Student will get opportunity to sharpen interpersonal skills as well as marketing and management.

Entrepreneurship Club (S4 Extension Club) is looking forward to invite young & enthusiastic Team Leaders / Fellows and Associates in the areas of:

1. Entrepreneurship (Student Startup Support System-S4) Development
2. IPR / Patent Cell
3. Strategy
4. IT Developers/Knowledge Management
5. Marketing and Brand Development
6. Policy Study and Development

These interns/fellow members are supposed to work with the immediate team of GTU Innovation Council at least for a period of 3 months (including some efforts virtually). After completion of 200 hours of active work in a period of three months, a certificate from GTU Vice chancellor on Fellowship and Internship will be awarded. There is no financial incentive associated with this program.

Required Skills: Team Management, Communication Skills, Leadership & Marketing Skills.

Deadline: 15th February 2014

Interested students can fill the (Join Us) form: <http://goo.gl/lwxQpq> or may contact Mr. Kaushik Akiwatkar (M: 8866814755)
