A Report on “Halla Bol Season II”

Women Safety and Security

5th August 2016, Friday

Objective:

Gandhinagar Institute of Technology (GIT) organized “Halla Bol Season II” for Women Safety and Security on 5th August, 2016 to spread awareness amongst the girl students for self-defense techniques and Indian laws & services regarding Women Safety and Security. The event was conducted in ordinance with Wajra O Force Foundation, Anti Narcotics Bureau and Ahmedabad Police Department.

Program:

GTU and Suraksha Setu Karyakram had organized Halla Bol season I event for a Nobel cause for women safety and security for propagating and spreading awareness of this Nobel cause to all female students and faculty. Halla Bol event was organized at GIT under Suraksha Setu Society on 9th October, 2014. This event was continued by organizing “Halla Bol Season II” on 5th August, 2016 during 2:00 to 4:00 pm.

Actress of ‘Daav Thai Gayo Yaar’ and ‘3 Doba’, Ms. Maulika Patel was invited as a chief guest for the event. She started her carrier by dance and modeling from 2012. She got trained under Bengali actor Pramod Ghosh and she had been awarded by Ahmedabad and Rajasthan debut award for ‘Jivati Reh Beti’. She inspired girl students by sharing her real life experience.

For conducting the event various videos were provided by Ms. Ruzan Khambhatta, founder of 1091 and entrepreneur and Head of Anti narcotics Bureau. These videos were shown in the event which had given very important information about:

- **Public service Helpline No 1091** for girls known as HEART server.
This server is kept at Police control room ‘HEART’ which means ‘**Help Emergency Alert Rescue terminal**’. When women are in emergency situation (rape, domestic violence, kidnapping, etc.) then we should call on helpline no.1091 (toll free).
- **Zero Tolerance Concept**
This concept depicts about not to tolerate any kind of social or domestic violence and to be confident and live fear free life to girls.
- **Self Defense Techniques**
Ms. Ruzan Khambhatta demonstrated various self defense techniques in videos which can be very useful in day to day life of girls.
- **Chhedati On Phone**
If any cyber crime related to social websites happens then this service of Ahmedabad police department can be used by women.

As videos increased the awareness of self defense and Laws of women security and safety, it’s needed to be physically fit to face such unexpected situations. So some physical challenges were organized as a part of the event like Pushups and Arm Wrestling for girl students.

Upon successful completion of event Dr N M Bhatt, Director of the institute congratulated the event coordinators for spreading Nobel awareness amongst female students and faculty members.

Feedback of students:-

- All the girls of Gandhinagar Institute of Technology attended “Halla Bol” season-II and registered ourselves too. Event was really an eye opening for all of us. We had some fun activities like push-ups and arm wrestling. Overall we enjoyed a lot and learnt so many things and great message was given by Ruzan Khambhatta madam. Tricks which were taught by Ruzan madam were very useful and I really appreciate all the efforts made by Khambhatta madam in this event. That was truly inspirational.

- It was an amazing event. It made us more aware about our safety and about the laws and amendments made for us. The speech by Smt. Anandiben Patel was also quite inspiring. We also learned tricks for defending ourselves. And a short movie on the side effects of taking drugs. So overall it was a worth attending the seminar.

- I as a participant of Halla Bol season II, feel proud that our organization Gandhinagar Institute of Technology had organized this event for the betterment of girls, for their self defense, for their protection. They have taken a great step towards the safety. We had a very good experience in this event; we learnt how to protect our self. Our chief guest Ms. Maulika Patel also shared a very good experience of her life. It was a very inspirational speech. We participated in tasks like arm wrestling & pushups. I am thankful to our institute for this opportunity.

- It was very useful and encouraging session. Glad to know that the Gujarat Government is introducing this kind of women security events. Also I got to know various kinds of techniques which help working women. Tips by Ruzan Khambhatta were very useful and encouraging. Halla bol season II gave very good message that girls are not weak and we are capable enough to protect ourselves.

- On 5th august 2016, Friday second season of Halla Bol was held; this itself says how successful the first session of Halla Bol was. As the name says it’s about women awareness and safety it was such a helpful session as it practically taught as well as showed as how we can ensure our safety. And I personally suggest such session should be held in every educational and professional sector regarding women empowerment.
