A Report on

“Parent Teacher Meeting 2019”

(20th April 2019, Saturday)

2nd PTM-Even semester 2019 at a Glance:

- Date: 20/04/2019, Time: 9:00 AM onwards, Place: Gandhinagar Institute of Technology
- Total number of parents who attended meeting: 44

Objective of the event:

The parents Teachers Meeting for B.E. semester 2 was scheduled to discuss the progress and performance of students at the institute on 20/04/2019. The goal was to establish a healthy relationship with parents and students. The parents were intimated about the meeting well in advance through network administrator and mentors.

Activities during the event:

The parents started reporting at the institute from 9 am onwards outside A-Block where a Welcome Desk was placed to guide them to cafeteria for refreshment. After that, parents were escorted to the respective department building for a formal interaction with the HOD.

During 10.00 am to 10.30 am, HODs introduced parents with the Vision and Mission of the institute and the departments along with anti-ragging rules, focus on quality education, library facilities and general criteria of the institute. They also highlighted the Institute's best practice for effective teaching learning process and how it helps placement and higher studies.

During 10.30 am to 12.00 pm, parents were directed to respective classrooms for one to one interaction with mentors and faculties. The parents were informed about the attendance criteria (75% according to GTU norms), students' performance during Mid Semester Exam and GTU examination. Discussion was focused on student's specific strengths and weaknesses in individual subjects and students discipline in classrooms, restricted mobile usage in classrooms, AMTS bus routes up to college gate. Parents' suggestions on the interests and learning of their wards were noted.

Outcomes of the event:

Around 44 parents participated in the 2nd PTM of Even Semester 2018-19. Parents became aware of the institute's rules and regulations, methodologies of teaching & learning for the overall welfare of students. There was one to one session between parents and student mentors for analyzing students' performance and steps necessary for the improvement of their wards' skills. Parents expressed their gratitude and enthusiasm for this interactive session with the faculties so that they can know better about their wards performance at the institute.

The PTM came to an end with the conclusion that the progress and development of the students depend on the joint efforts of parents and teachers. For this purpose, parents agreed to keep a close vigilance on the actions of their child, and to keep in constant touch with the mentors.

Feedback from Parents:

It was a good opportunity to meet faculty mentor and head of the department; I believe PTM is vital for us, which enabled the performance and how to mend the present difficulties regarding the exam preparation for students. To suggest, I believe that questions should be given in the form of assignment for a better understanding of paper writing.

PWD, Ahmedabad

I am satisfied regarding interaction happened with the head of the department and mentor. Mentor provided me the detailed information of my ward and explained me how regularity in college can improve my ward's overall result. I am happy to meet such kind of student mentor who will take care of my ward in my absence.

Feedback from Faculties:

The PTM was an inevitable activity and worth organizing because the gap between faculty and student can be minimized with the involvement of the parent. The parent said that through this kind of meet, they get a chance to interact with faculty members for their ward.

Prof. Naveen Sharma
Asst. Prof, EE Department

I was obliged to interact with the parents in PTM. This kind of meeting should be arranged in every semester to furnish detailed information of the ward to respective parent.

Prof. Sumedha Mahajan
Asst. Prof, CL Department

The PTM is a very good initiative to enhance relationship between faculties and parents so that we can work together for the overall development of the students.
