Objective:

Gandhinagar Institute of Technology arranges different programmes for the benefit of faculty members as well as students. GIT has established the Internal Quality Assurance Cell (IQAC) since 14th November 2019. Since last one year, IQAC has fetched more than 6 grants from various funding agencies like AICTE and GUJCOST for conducting webinars, STTP as well as travel grants for publishing research papers outside India. The IQAC of GIT, organises various programmes for faculty members, students and quality circle members for their upliftment. In regard to this, Gandhinagar Institute of Technology, affiliated to Gujarat Technological University sorted out one day Webinar on “New Education Policy (NEP-2020)” 3rd April, 2021. The Webinar was organized for the faculty members and staff members from GIT, on an Online Platform. Due to Covid 19 Situation, the expert was invited on Google Meet with more than 100 participants.

The primary goal of this webinar is to make aware all the faculties about National Education Policy-2020. National Education Policy 2020 envisions an India-centric education system that contributes directly to transforming our nation sustainably into an equitable and vibrant knowledge society by providing high-quality education to all.

Programme Details:

Webinar started with the **inaugural function. Prof. Madhuri Chopade**, Coordinator of IQAC-GIT started the programme with an introductory speech. It was followed by Saraswati Vandana. She welcomed Dr. Yashvant v. Joshi, Director, SGGS CE&T, Nanded (MH), Dr. H. N. Shah, Director, Gandhinagar Institute of Technology and participants with a short welcome speech. Dr.H. N Shah, Director, GIT addressed the participants on basic key points in National Education Policy. He started with the vision of NEP to contribute to an equitable and vibrant knowledge policy by providing equity to all. The fundamental concept of NEP was multi entry and multi exit. He also introduced the 10+2 system dropping and 5+3+3+4 system of schools. A glimpse of educational reforms was also weighed by Dr, H N Shah. He also talked about open minded approach to education, flexibility is to be given, Technical education aspects, features of NEP, Syllabus updation, and optimum learning.

The Second Session was conducted by **Dr. Yashvant V. Joshi, Director, SGGS CE&T, Nanded** on “Role of National Education Policy in Higher Education”. Session ended successfully with a lot of knowledge sharing and gaining. He gave a wonderful detailing of present status that will surely help us to connect with NEP 2020. One can easily get knowledge about the changes and reforms in technical education, it is the need of the hour to open our minds to excellence. Dr. Joshi explained that assessment, evaluation and research will be readily helpful if implemented very soon through NEP 2020.
