Location:	Director Office
Agenda:	<ol style="list-style-type: none">1. Discussion of the Project Evaluation for the held-on 21st to 23rd September 2021 and approval of Design Patents2. Planning of GUJCOST sponsored event (21/10/2021)

Agenda 1: Discussion of the Project Evaluation for the held-on 21st to 23rd September 2021

GIT IPR Cell had planned student project evaluation for the intellectual protection purposes under the IPR cell on 22nd February 2021. Dr Anish Gandhi, Prof Jyotin Kateshia and Prof Mrugesh Khatri analyzed projects critically and gave valuable inputs for the project improvement/patent evaluation. Dr Anish Gandhi and IPR Committee had suggested the various projects and decided to project to protect under the industry design protection category. Some of the projects requires the patent search analysis and after that it can be converted in to the Patent. Prof Jyotin Kateshia, IPR cell Coordinator requested for the approval of the design patents evaluated by the IPR Cell Committee.

Agenda 2: Planning of GUJCOST sponsored event

GUJCOST asked to submit the proposal for the sponsored event on IPR. On the behalf of that Intellectual property in Academia was planned. Dr. H N Shah sir suggested to add the following topics in the content of the webinar: Importance of Intellectual Properties in Academia.

Action Taken report for meeting of IPR Cell on 29th September 2021

1. The IPR Cell has sent the four-design patents for the procedure of the design patent applications. The required views of the individual projects were shared with the patent agent and Form 21 signed and submitted to the patent agent for the design patent procedure.
2. IPR Cell has submitted the proposal for the two days national level webinar on "Intellectual Property Rights in Academia" to the GUJCOST. The renowned national level speakers were invited for the webinar. The Invitation link shared to the maximum students/faculties and the researchers to take the benefits of the webinar.
