A Report on

“Alumni Expert Webinar on “Successful Entrepreneur on account of World Entrepreneurs Day Celebration” (20th August 2022)

Event Overview:

The webinar on “Successful Entrepreneur on account of World Entrepreneurs Day Celebration” was organized on 20th August 2022 at Gandhinagar University by GITAA Cell in collaboration with IIC, SSIP, IPR and IQAC Cell. The Webinar was coordinated by Prof. Maulik Sukhadiya. The session was organized for the students of Bachelor of Engineering with the permission of Dr H N Shah, Director. The webinar was organized to motivate and educate the participants about the different innovation and start-ups for deriving the innovative ideas.

Objective:

The main objective of this Alumni talk was to motivate the students and share awareness regarding Entrepreneurship, Innovation, and the startup process. It was very informative & helpful session for the students.

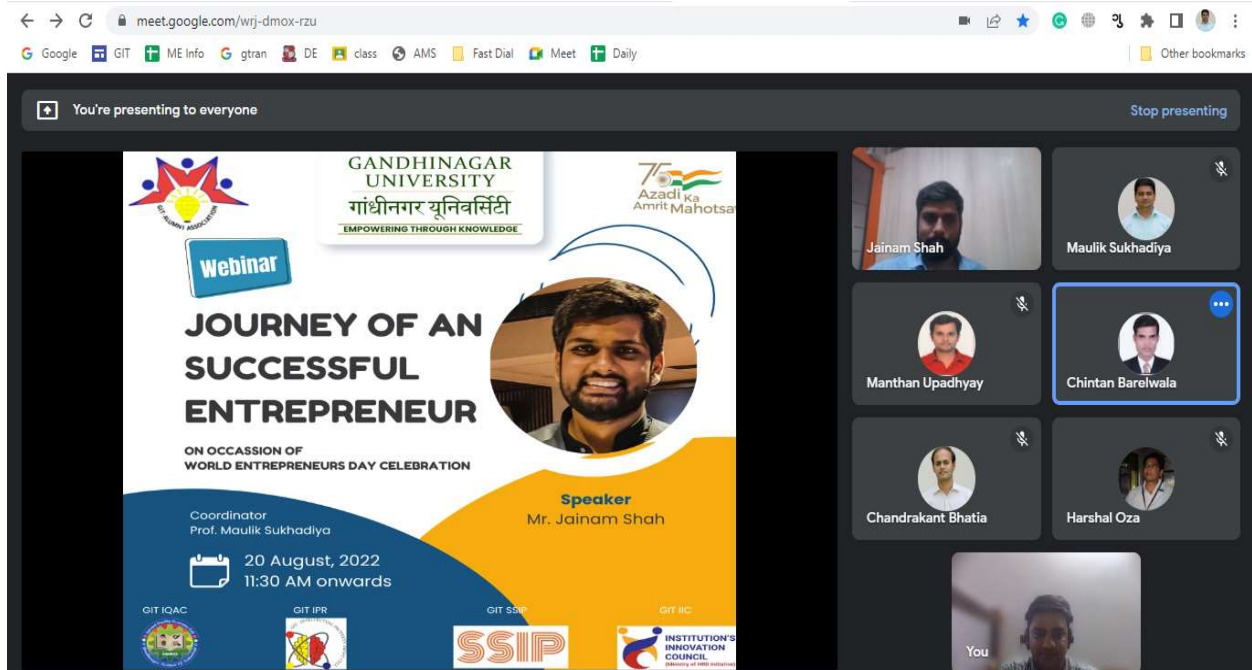

Program Overview:

There were 64 students and faculty members participated in the session. The session started at 11:30 am through Google Meet. Prof. Manthan Upadhyay has initiated the introduction on GITAA. He gave information about the Summary of GITAA (Gandhinagar Institute of Technology Alumni Association). Prof. Maulik Sukhadiya had introduced the event Expert Mr. Jainam Shah, who is Success Entrepreneur Alumni of Mechanical Engineering from GIT.

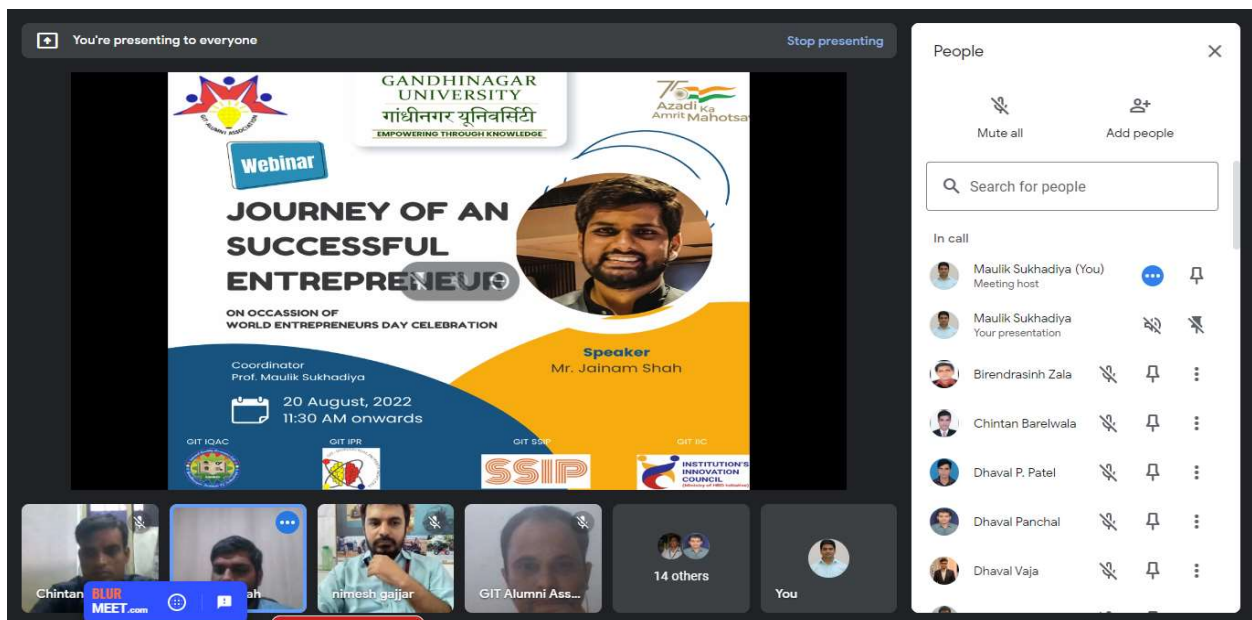

Mr. Jainam Shah had completed his BE Mechanical Engineering from Gandhinagar Institute of Technology in 2017. Also, he was completed his MBA degree in Entrepreneur Development Institute of India in 2019. After that he joined his father’s company JM Engineers. He started his journey works as a Production Engineers. In 2016 his father introduces a new company as a Collaborating with China and gave a name of the company ids JM Zhongkai Chemical LLT in Ahmedabad. He inspires the participants for applying a SSIP grant on their talent, and to show their presentation. He also encourages the students on Design Engineering Subject with its canvases. He gave more introduce his project works and he taken a grant from SSIP in EDI college.

He explained that the innovation means developing a new idea in coloration with the team members, identifying the need of customer. He further added that the sincere observation always helps in identifying the problems in the society. He also added that the SSIP introduced by Government of Gujarat helps them in several ways for developing innovative product ideas.
