TECH-DRIVEN LEARNING

HOLISTIC APPROACH

EMPOWERING THROUGH KNOWLEDGE

GREEN CAMPUS

FUTURISTIC IDEAS

IN CLOSE VICINITY TO AHMEDABAD

DISTINCTIVE

"Knowledge Itself is Power"

- Sir Francis Bacon

The responsibility and power of a university is to create an enabling environment of active learning and become a centre of excellence that develops visionary leaders and passionate professionals who contribute to the community and the country. It is an endeavour that demands the courage and commitment to pursue the dream with energy and effort.

Gandhinagar University is an institution of the future, holistic in its approach and determined on the use of technology to provide the best inputs for the students to achieve their potential and beyond.

Gandhinagar University has ensured that all its resources, courses, programs, faculty, facilities, systems, collaborations and interactions are a seamless network that integrates synergistically to offer the highest value in learning.

Gandhinagar University is a mission.

To empower through knowledge.

PHILOSOPHY

- Immerse into Practicality
- Understand the Theoretical
- Ideate Futuristically
- Implement Artistically
- Strengthen Foundations
- Widen Depth of Understanding
- Develop Passion for Learning
- Enhancing Power of Knowledge to Build Informed Perspectives

DRIVEN

FACILITIES

The campus provides a refreshing environment with different facilities which makes our students feel at home.

Smart Campus Wi-Fi is available for all students throughout the campus boundaries.

Resources Central library has a large collection of books, journals, periodicals and magazines. Student Store built inside the campus has everything necessary from notebooks to brushes and from getting printouts to creative materials.

State of the Art Labs GU has labs which are well equipped with all necessary equipments, softwares and instruments in all departments.

Transportation Facility Available for all staff and students. AMTS bus service to the university is also available from major areas of the city.

Performance Arts The Open Air Theatre and Amphitheatre provides a space for debates, gatherings, plays, events and every activity that might have crossed your mind.

Canteen The in-house canteen located on campus ensures that students have access to healthy, wholesome food and beverages.

Hostel Facilities We provide assistance for hostel facilities.

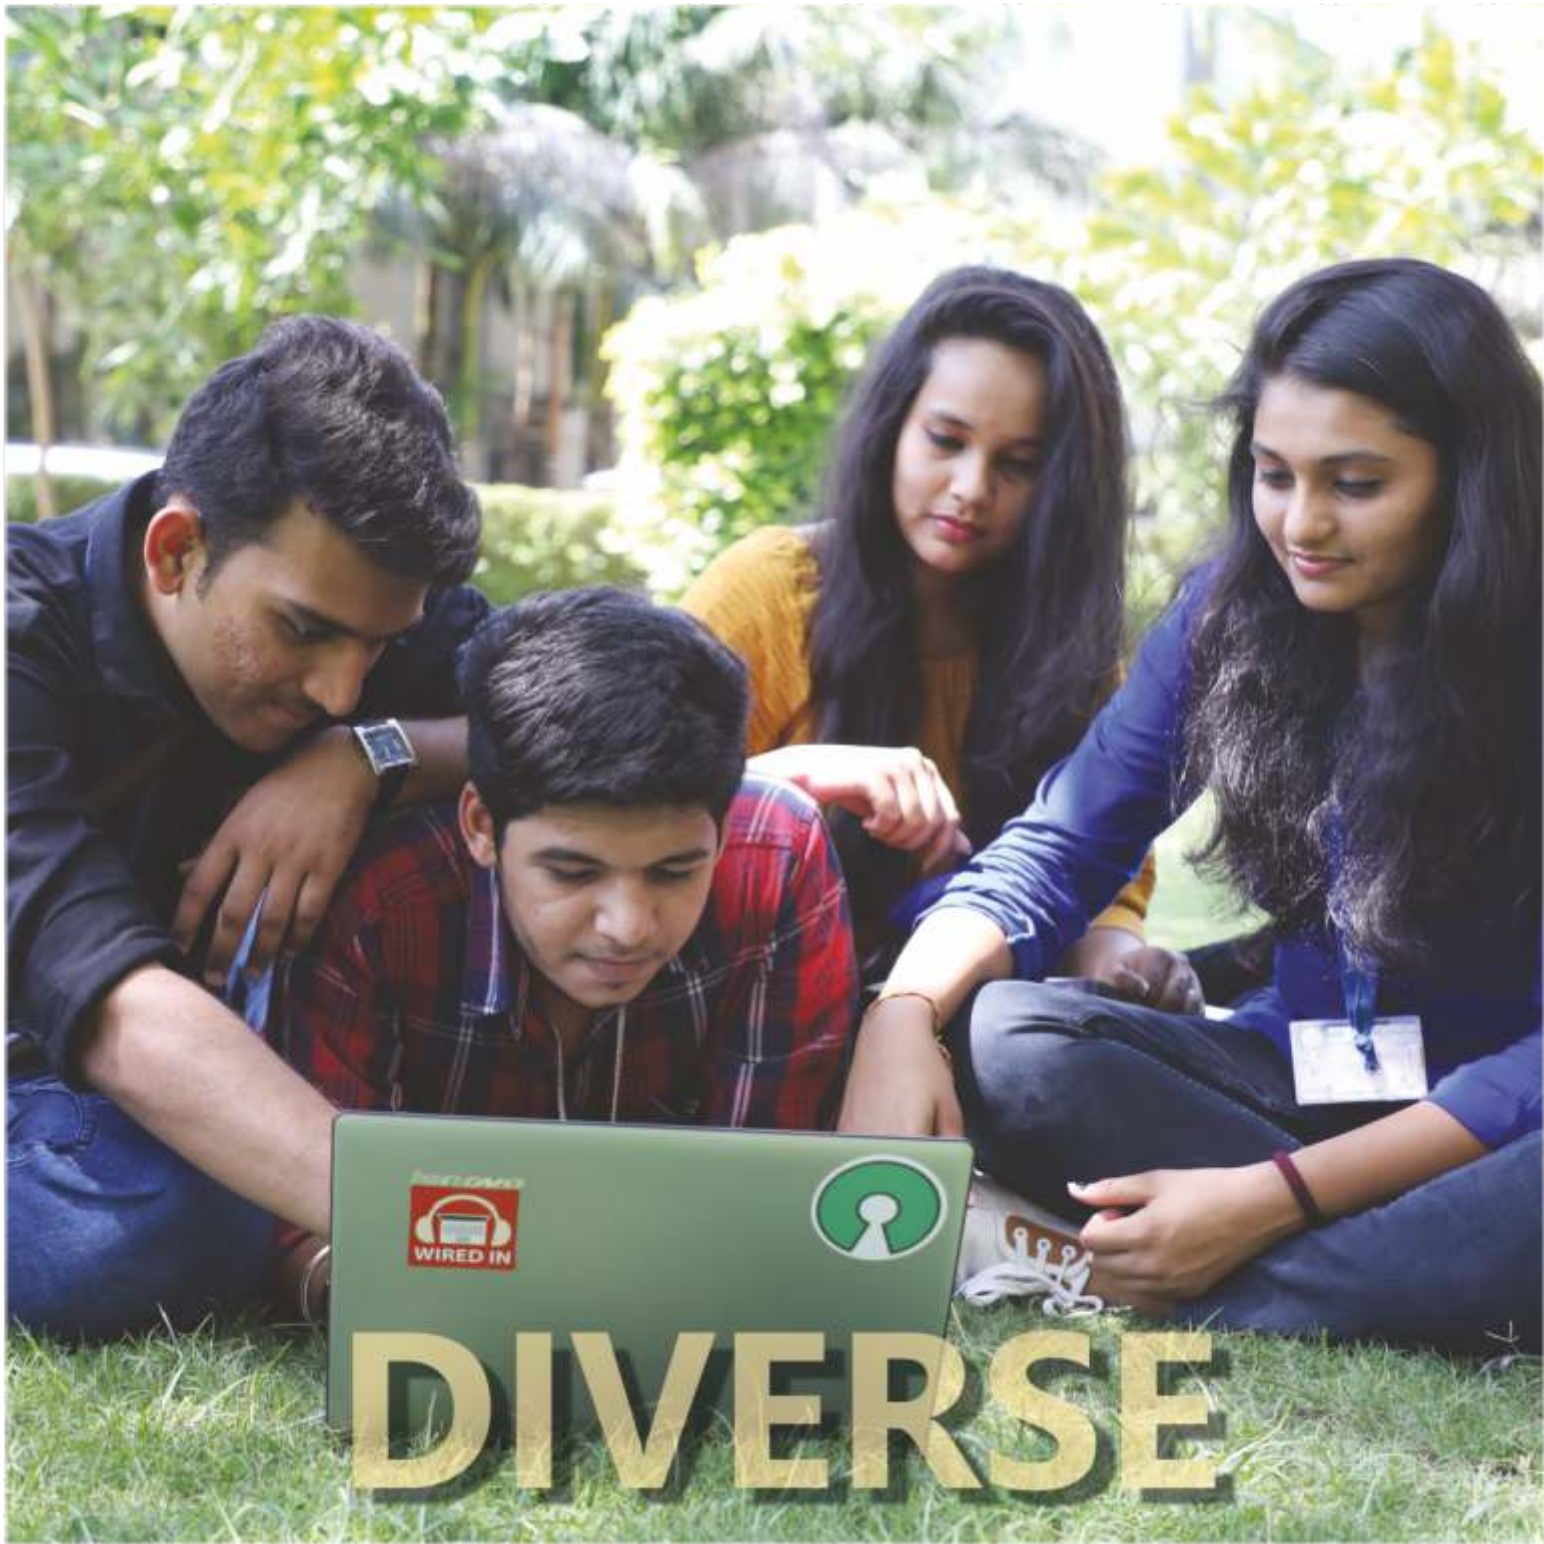

*A pursuit of excellence
A wealth of experience
A grounding in reality
A dose of humility*

PEDAGOGY

Learn what you love, step into the world of research and ideas, and work together for the betterment of self and society!

- Strong support for researchers and innovators
- Learn to learn self-directedly
- Encourages queries and asking for help from Faculty
- Diligent experience of learning and growing indiscriminately
- Learning is made homely and friendly, yet concise

DIVERSE

OUR INSTITUTES AND PROGRAMMES FOR 2022-2023

Gandhinagar Institute of Technology (GIT)

B.Tech / M.Tech

- Bachelor of Technology - Mechanical (4 Years)
- Bachelor of Technology - Civil (4 Years)
- Bachelor of Technology - Electrical (4 Years)
- Bachelor of Technology - Electronics and Communication (4 Years)
- Bachelor of Technology - Computer (4 Years)
- Bachelor of Technology - Information Technology (4 Years)
- Master of Technology - Computer Engineering (Software Engineering) (2 Years)
- Master of Technology - Mechanical Engineering (CAD/CAM) (2 Years)
- Master of Technology - Mechanical Engineering (Thermal) (2 Years)

Above Programmes are approved by AICTE and GU

Gandhinagar Institute of Management (GIM)

BBA / MBA / PGDMM / PGDHRM

- Bachelor of Business Administration (BBA) (3 Years)
- Master of Business Administration (MBA - Marketing, Finance, Human Resource Information Technology) (2 Years)
- Post Graduate Diploma in Marketing Management (PGDMM) (1 Year)
- Post Graduate Diploma in Human Resource Management (PGDHRM) (1 Year)

MBA is approved by AICTE and GU.
Other programmes are approved by GU

Gandhinagar Institute of Science (GIS)

B.Sc

- Bachelor of Science - (B.Sc - Chemistry) (3 Years)
- Bachelor of Science - (B.Sc - Physics) (3 Years)
- Bachelor of Science - (B.Sc - Mathematics) (3 Years)
- Bachelor of Science - (B.Sc - Botany) (3 Years)
- Bachelor of Science - (B.Sc - Microbiology) (3 Years)

Above Programmes are approved by GU

Gandhinagar Institute of Computer Science and Application (GICSA)

B.Sc

- B.Sc - Computer Science (3 Years)
- B.Sc - Information Technology (3 Years)
- B.Sc - Data Science (3 Years)

Above Programmes are approved by GU

Gandhinagar Institute of Commerce (GIC)

B.Com

- B.Com - Accounting and Auditing, Statistics, Banking (3 Years)

Above Programmes are approved by GU

Gandhinagar Institute of Skill Development (GISD)

SKILL DEVELOPMENT CERTIFICATE COURSES

- Computer Engineering
- Information Technology
- Mechanical Engineering
- Civil Engineering
- Electrical Engineering
- Electronics and Communication Engineering
- Soft Skills

Certificate Courses vary from 2 months to 2 years

INNOVATION

Innovation and Ideation are sectors boosting up around the world and we are glad to put a spotlight on ideators and thinkers who aim to bring a change.

GU has an active **SSIP** cell to promote startups and pilot the ideas in the form of outcomes that become a pride for everyone. **POC / Prototype / IPR** under **SSIP** provides financial support for developing the projects and thus boosting their confidence to establish their ideas and a better viewpoint.

The Intellectual Property Right Cell (IPR) cell has been created for the students with an aptitude for change. The cell helps students with cutting edge technologies and ideas to patent them and industrialize their applications with ease.

The Institution's Innovation Council (IIC) has been set up to provide the support a student needs by providing support mechanisms, a functional ecosystem apt to create an environment that nurtures a student's intuitive mind.

CELEBRATING ACHIEVEMENTS

Gandhinagar University believes in showcasing the embellished works and achievements of our future thinkers, leaders, developers and researchers and we believe in putting their projects and skills in front of the world through various programmes and publications.

GU publishes an annual magazine - **A Song of Technocrats** in which all the commendable events held throughout the year are put out showing the rich culture of the university.

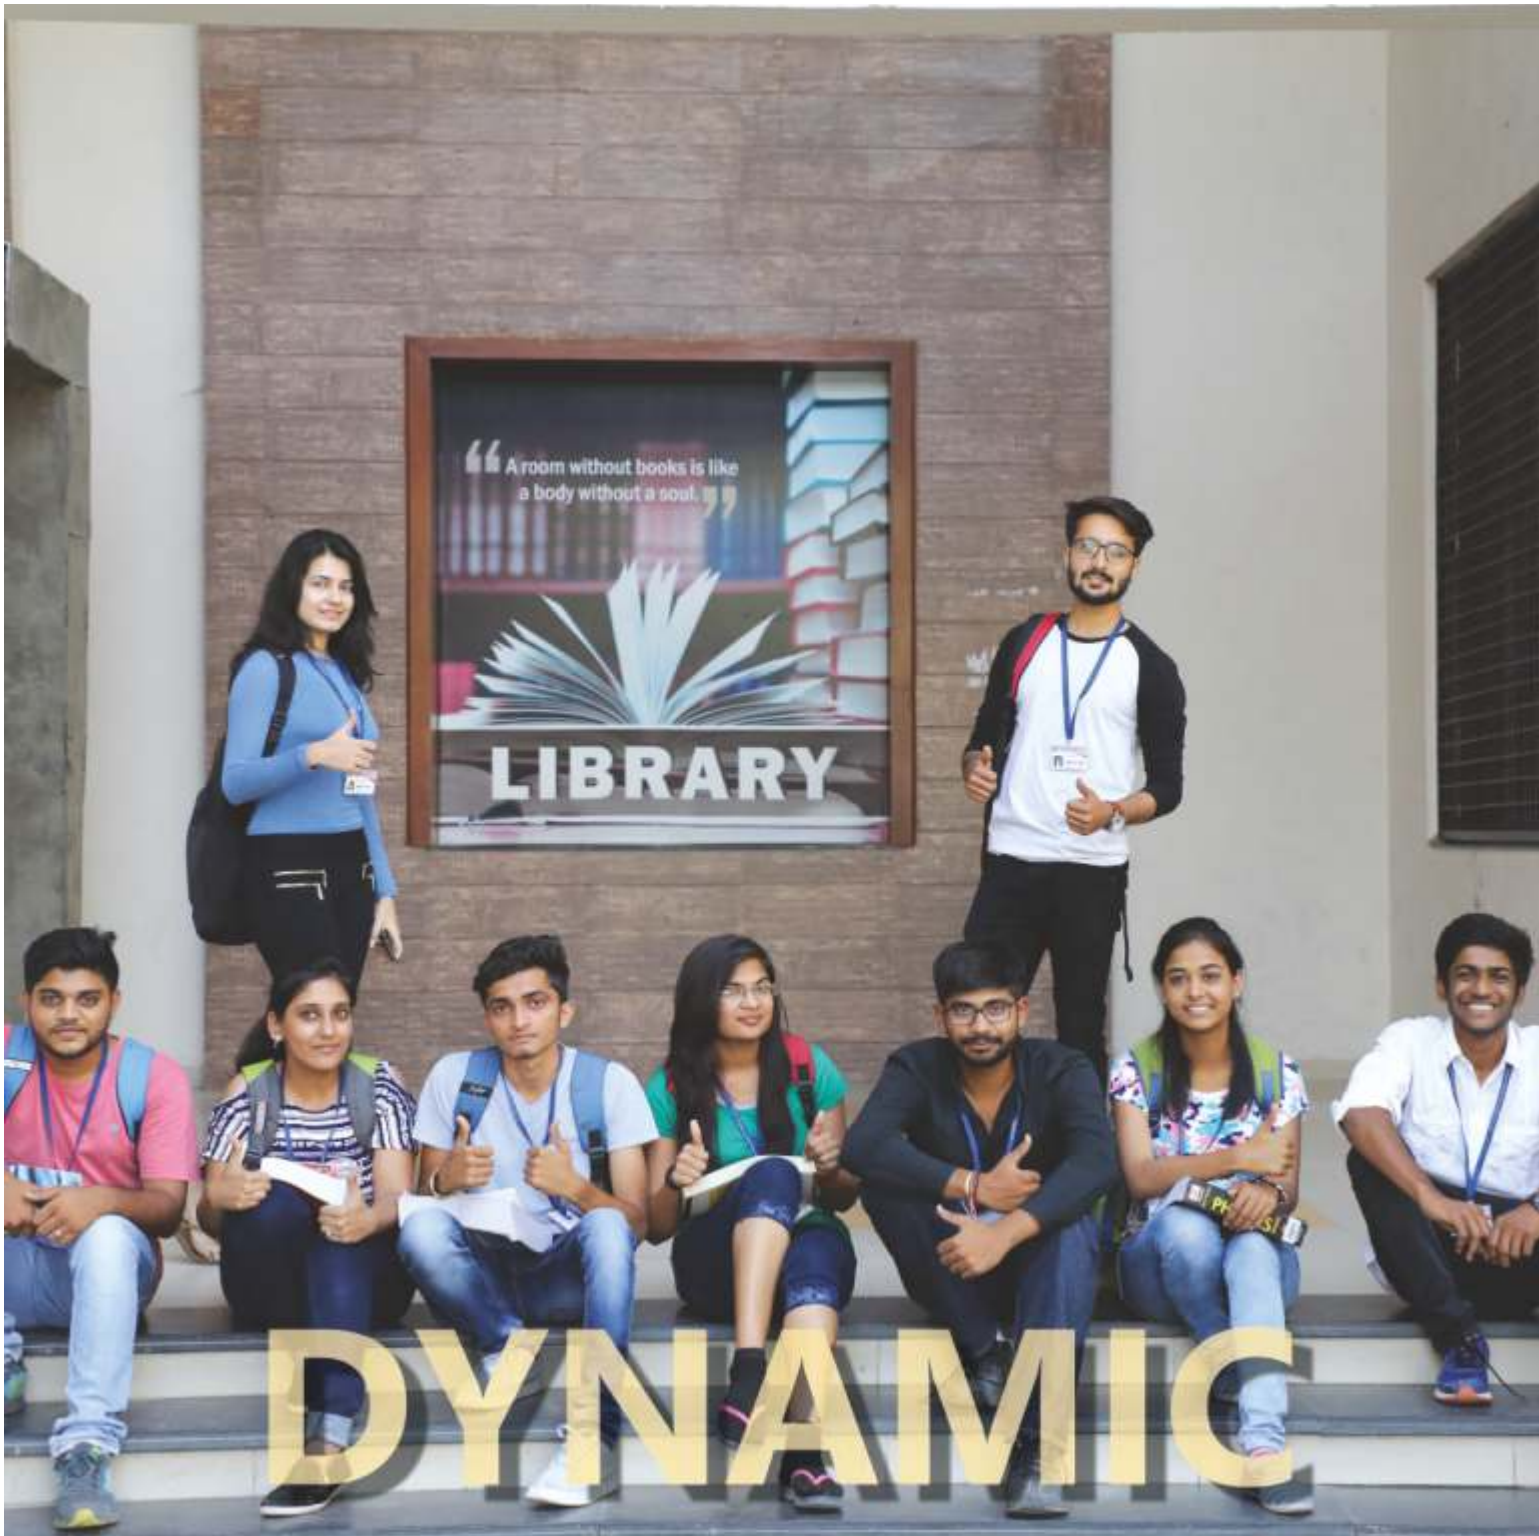

A **newsletter** is published every quarter with information about events and achievements for the particular duration.

Journal of Engineering and Technology is published annually which has been recognized nationwide appraising research papers, ideas and developments by students in the fields of Engineering, Technology and Management.

There are numerous active cells running in the university taking care of bringing out diversity and productivity from varied interests and accomplishments. **Women Development Cell (WDC)** assures to give chance and include women in the growth model and give opportunities and chance to enumerate their skills, interests and learning.

Gandhinagar University Social Services (GU-SS) gives a state of awareness to the youth and motivates them towards the path of community services.

The students also take part in community services through the **NCC** body. Gandhinagar Institute of Technology (GU) has been approved as the new NCC Sub Unit / Troop under 2 Guj Air Sqn NGC, Ahmedabad. Instillation of commitment towards the nation, growth of self and others, parades and services are major learnings provided to the NCC Cadets.

LIFE ON CAMPUS

The University aspires to be a premier research and study centre, pursuing knowledge in both fundamental and applied areas while working closely with business and industry to promote technological innovation and economic development. Alongside, GU aims to give the best experience of the cultural exposure of local and national festivities.

Jazba: The annual fest where celebrations are enjoyed with huge pomp and show. Functions and activities which blow your minds are delegated. Quizzes, singing, competitions, essay writing, poster making and debates are a part of our inclusive celebrations.

TechXtreme: The annual technical festival is most awaited event. It helps our students to showcase their talent in the form of technical skills.

Celebrating Festivals: We celebrate Republic Day & Independence Day with pride and love for our nation in the heart. Along with this, various cultural festivals like Navratri, Holi, Kite Flying are celebrated too.

Sports Events: Sports are vital in the formation of the youth which includes their body, mind, and spirit. University students' active participation in competitive sports fosters a healthy competitive attitude in everyday life. Cricket, volleyball, football, and other games can be played on the playground. There are also facilities for indoor games such as table tennis, chess, and carrom.

Hobby Club: organizes non-academic activities for the students on a regular basis, viz. Book meets, Movie meets, Jamming sessions, Poetry meets.

PLACEMENT CELL

Campus Recruitment Training Program (CRTP) is an exclusive training programme for the students to prepare them for placements. CRTP includes areas like soft skills, aptitudes, technical skills, motivational talks, and the importance of English in professional communication. The goal of the CRTP is to help students pick the correct career path and to provide information, skills and aptitude to satisfy the industry's personnel needs.

92% of Students Placed in last 3 Years
