

A Report on
“DRAMA ON GENDER EQUALITY”
(15th October 2022, Saturday)

Abstract:

Women Development Cell of Gandhinagar University organized a Drama Performance on “GENDER EQUALITY” on 15th October 2022. The motive behind the awareness program was to show the equality between the genders of the society. The event was organized under the guidance of Director, trustees, and the management of GU. The Following are the Details of the Performance:

Program overview:

The program started with a welcome speech, followed by a prayer. It continued with a drama performance portraying that there is no inter-relation between justice and gender. The drama was initiated and performed by our own students and more than 50 students attended the performance. The motive behind the awareness program was to show the equality between the genders of the society. The students performed wonderfully regarding both the gender discrimination in two different scenes and showed justice to both the genders through the drama performance. The performance was filled with Modern day thinking about gender equality. The Act proved to show that Gender equality is not a women’s issue, it is a human issue". The event ended successfully with a special thanks to the attendees and WDC team who gave an opportunity to be a part of this amazing performance.

Proportion of Women Benefited:

This Performance was for all the students, faculties and staff of the University despite their gender in which they were benefited by the following points:

- They got to know about the discrimination between genders of our society.
- They got to know that there is a need for the people, to keep the thought of gender equality in mind at the time of justice.
- They also got aware regarding justice for every gender.

Measurable gains in knowledge:

While conducting the awareness program and while conveying the message of gender equality, they got knowledge about the below mentioned points:

1. A change is necessary for nation’s development-"KAMI HAI SIRF AWAZ KI."
“YOUR POWER IS YOUR RADICAL SELF. FIND IT.”

2. Change for equality begins at home. There are still a lot of families which discriminate between daughters and sons.
3. “Gender equality is not a women’s issue, it is a human issue.”

Measurable gains in skill:

While conducting this Program, the participants got to know about prevention of violence and discrimination against any gender. It gave a clear message to the society that it will help to make our communities safer and healthier.

Feedback:

The students enjoyed the energetic performance by our students and were positive to get a clear message about gender equality. They also came to know about unbiasedness between two different genders. The faculties, staff members and students were very much happy to be an attendee for this great performance.
